

CHAPTER HOUSE LANE

ANDRZEJ NOWICKI 'Feldgrau'

Exhibition: 7 June – 1 July 2012
Launch: Thursday 7 June, 6–8pm

Andrzej Nowicki: *Dark Ages With My Super Computer*, watercolour, gouache, graphite and ink on paper, 78 x 104cm, 2012

Chapter House Lane in collaboration with Perimeter Books invites you to a solo exhibition with artist Andrzej Nowicki. Join us on Thursday 7 June from 6-8pm for drinks at the show opening. The event coincides with an open house at neighbouring café, Little King, where together with Perimeter, they're launching the Perimeter Books Micro-Library, an evolving range of small press art books, zines and rare design publications featuring small publishers and artists from all corners of the globe.

Nowicki has previously exhibited in Cape Town, Johannesburg and Brooklyn and his first Melbourne show was held at Perimeter in 2011. Via Poland, South Africa and New York, the now Melbourne-based artist uses graphite, ink and oils for his current collection, *Feldgrau*.

Larger works, they capture curious landscapes from an indiscernible time, and stories without end, which make you feel the trudging movement in each scene. A figure set against a bleak expanse, shards of colour... the resulting whole, an expressive juxtaposition.

With a background in prints, collage, watercolour and gouache, the versatile artist retains his style, retelling histories with foibles from the present.
