

## MEDIA RELEASE

Friday 26 April 2013 | Chapter House Lane | not-for-profit contemporary art space | Melbourne

### MAY SHOW: BRAD HAYLOCK

- Chapter House Lane presents an installation by Melbourne artist Brad Haylock this May. 'Smells like Community Spirit' evokes the political perspective that runs prominently through his practice. Join us, along with the artist, as we unveil this new work in an opening from 6 – 8pm, Thursday 2 May.
- This new body of work extends the artist's interest in public address and contemporary citizenship. Its points of reference are the DIY utopianism of 70s self-built architecture, visual merchandising, and a Situationist reading of Josef Albers' *Interaction of Color*.
- Brad Haylock is an artist and graphic designer, whose practice also spans writing, curation and publishing. Brad is a lecturer at Monash Art Design and Architecture, and is the founding editor of Surplus, an independent publisher of printed matter pertaining to critical and speculative practices.

### UPCOMING SHOWS:

- Nicole Breedon's 'A Whole New World', opens Thursday 6 June 6-8pm and runs until 30 June. With an exhibition title taken from 1992 animated Disney film *Aladdin*, Breedon is combining the concept of a magic carpet with *Magic Eye* images from the popular books to create woven autostereograms.
- Matlok Griffiths will have his second solo exhibition of paintings at Chapter House Lane in July and in August we feature new work by Kate Smith.

### WHAT OUR EXHIBITORS ARE UP TO:

- Matlok Griffiths has an upcoming show at Blockprojects titled 'New thoughts on luxury'. The show will run from 1 to 25 May, with an opening on Saturday 4 May from 2 to 5pm. See: <http://matlokgriffiths.com/>.
- Nicole Breedon is currently working with Kiera Brew Kurec to establish a new artist run space in Belgrave. The space will be called 'The Projects', and aims to showcase the work of emerging artists from the Yarra Ranges. They are currently running a campaign on crowdfunding site Pozible in order to finance this project. See: <http://www.pozible.com/project/17730>.
